

Certificate of Registration

This is to certify that KPMG Quality Registrar has registered the Quality System of
Blue Giant Canada Limited

85 Heart Lake Road, Brampton, Ontario L6W 3K2

to the Quality System Standard

ISO 9001:1994

The Quality System is applicable to

Design, manufacture and servicing of material-handling equipment including dock levellers, lift tables, elevating docks, truck restraints, manual pallet trucks, electric pallet trucks, counter-balanced walkie lift trucks, narrow aisle walkie fork trucks, stackers, tow tractors and customized equipment

This registration is given subject to the terms and conditions governing the use of this certificate as described in the agreement between KPMG Quality Registrar Inc. and the holder thereof. Registration does not assure the effectiveness of the Quality System or the products or services produced by it.

Certificate Number: 150
Issue Date: October 25, 1996
Expiration Date: October 24, 1999

Mark J. O'Sullivan
President
