BLUE GIANT EQUIPMENT CORPORATION

Blue Giant Opens New Stocking Location in Los Angeles

Brampton, ON, Canada (January 2012) – Blue Giant Equipment Corporation is pleased to announce the opening of a new dock equipment and parts stocking location near Los Angeles, CA. “Increased demand in the western U.S. made us decide to open a location that would give customers quicker and easier access to our dock products,” says Jeff Miller, Blue Giant’s Vice-President of Sales and Marketing.

The 22,000 square foot facility, which is located at 12930 Sunnyside Plaza in Santa Fe Springs, will provide Blue Giant’s growing customer base in this territory with fast and cost-effective product delivery.

“Our distribution centers allow us to meet customer needs with lower freight costs, tighter turnaround times, and better service overall,” confirms Tony Pacheco, Director of Quality and Aftermarket Support. “This Los Angeles location represents our continuing effort to advance our logistics and keep our service performance levels high.”

Blue Giant is the premier solutions provider of safe, effective, and technologically innovative loading dock and material handling equipment.

With a product line that includes dock levelers, vehicle restraints, intelligent dock controls, dock and door guards, door seals and shelters, and a diverse range of material handling equipment, Blue Giant offers turnkey solutions for the most demanding freight handling needs.
